

The following Credentialing links have been added to the DANTES Web site Resource page (http://www.dantes.doded.mil/Sub%20Pages/Resources/Resources_Main.html):

Community College of the Air Force (CCAF) Credentialing:

The Community College of the Air Force (CCAF) Credentialing researches and evaluates national professional credentials applicable to specific occupational specialties for possible award of CCAF collegiate credit; assists in aligning CCAF degree programs with industry standards that lead to credentialing eligibility upon completion of an applicable degree; manages CCAF programmatic accreditation processes with civilian credentialing agencies; and manages credentialing programs offered through CCAF, which directly support the mission of CCAF.

Navy and Army Credentialing Opportunities On-Line (COOL):

COOL is a product for Navy and Army Service members that defines civilian credentials which best map to ratings, jobs, designators, and collateral duties/assignments. It outlines the path, work, training and experience required to achieve them.

United Services Military Apprenticeship Program (USMAP):

The United Services Military Apprenticeship Program (USMAP) is a formal military training program that provides active duty Coast Guard, Marine Corps, and Navy Service members the opportunity to improve their job skills and to complete their civilian apprenticeship requirements while they are on active duty. The U.S. Department of Labor (DOL) provides the nationally recognized "Certificate of Completion" upon program completion.
